

Jakarta, September 17th, 2012

Dear Valuable Speakers,

We would like to thank you for your support to “13th APFCB Congress” which has reached many milestones in its preparation.

The purpose of this letter is to inform you of the following:

The Indonesian government has recently announced that The Asia-Pacific Economic Cooperation (APEC) will hold its Summit Meeting in Bali on 5-9 October 2013. This intergovernmental event will take place at the same venue with the “13th APFCB Congress” and will be attended by more than 20 country leaders, hundreds of ministers and thousands of government officials. Due to this fact, it would be nearly impossible to hold another international conference at the same time. Although we have booked the venue since more than one year ago, we may not be able to retain the venue while this important Summit Meeting is going on. Therefore, with much regret we have to kindly inform you that the organizing committee, with the approval of the APFCB Executive Board, has decided to **change the date of the “13th APFCB Congress” from 6-9 October 2013 to 27-30 October 2013 at the same venue.** All of the scientific programs, industry symposia, industry workshops and the exhibition will be arranged at the same sequence as the original schedule. We are very sorry for the inconvenience.

If you need further information related to the above matters, please contact us at the following address:

APFCB Scientific Committee

Prodia Tower
